

## Anjum Babukhan

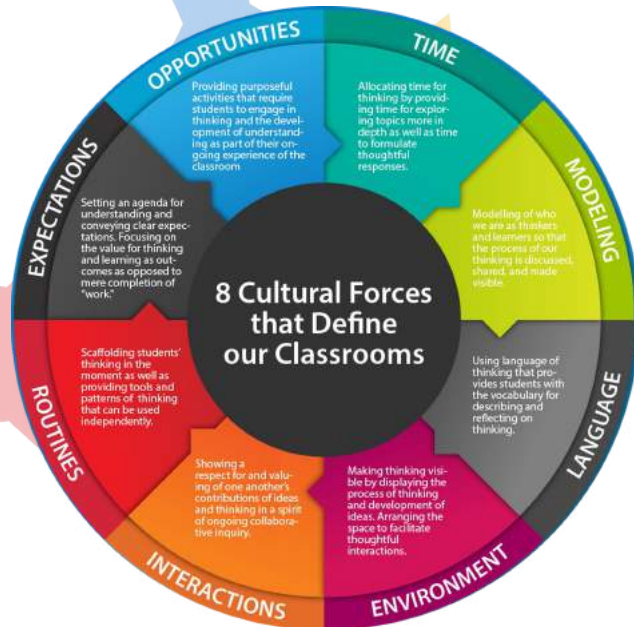

Lead Consultant

Ed.M. in Human Development and Psychology  
Harvard Graduate School of Education

Anjum has led award-winning institutions for over 25 years with exemplary pedagogical thought leadership and has trailblazed in the education space bringing her institutions to being ranked #1 in the state and top 10 in India for three consecutive years. Anjum's *edupreneural* journey is an inspiration where she recently exited and accrued immense value for her brainchild, Glendale Education where she served as Founder Director for 20 years.

As a passionate lifelong learner, she has mastered Leadership in Learning from Cambridge, learned Design Thinking at Stanford D. School and implemented what she learned at Harvard's Professional Education courses for over a decade with great success at her schools. These signature initiatives may be availed through her consultancy. Anjum is also the author of *ABCs of Brain Compatible Learning*.

# Project Zero Workshops

## UDL – Universal Design for Learning – Harvard Graduate School of Education

Maximize learning by removing barriers for learners with multiple means engagement, multiple means of representation and multiple means of action and expression.

## Culture of Thinking – Harvard Project Zero

*“Creating places where thinking is valued, visible, and actively promoted.”*

Harvard Researcher, Dr. Ron Ritchart, author of *Making Thinking Visible*

Building a “thinking culture” within our schools for better learning and greater engagement. Applying the magic formula of **8 Cultural Forces**, will truly transform one’s institution and school culture to be a future-ready through enculturation of 21<sup>st</sup> century standards. Learn to establish everything from the right expectations to thinking routines.

## Strategy in Action – Harvard Graduate School of Education

A decade long implementation approach has proved successful in building leadership density, a comprehensive evaluation format, and effective monitoring classroom practices.

## Studio Thinking – Harvard Graduate School of Education

Discover the 8 Studio Habits of Mind that can be developed through art integration. These studio habits will help teachers boost creativity through arts integration combined with a “5 Strands Curricular” approach from Bloom’s taxonomy. Interestingly, these habits are not learned in academia but through visual arts exploration.

*“Creating places where thinking is valued, visible, and actively promoted.”*

Creating and Empowering Educators since 2000

# EDVANTAGE TEACHER TOOLBOX

Workshops consisting of globally recognized pedagogies for K-12 can be scheduled. Some modules are available in an online format.

*"If you are equipped with only a hammer, then you will see every challenge as a nail."* In Teacher Toolbox, we equip educators with a variety of tools to optimize multiple means of engagement, representation, and expression as per the guidelines of UDL -Universal Design for Learning.

# LEADERSHIP DEVELOPMENT

*"My ikigai (life purpose) is to illuminate the full spectrum of human potential."*

## Spectrum of Multiple Intelligences

– (MI) A Guided Self-Discovery across Human Potential

Anjum has been empowering tens of thousands of adults and children since 2000, in uncovering their competence and self-efficacy through the application of multiple intelligence. Whether it's a webinar, interactive workshop, or full Multiple Intelligence implementation strategy, Anjum is the leading expert in MI for over 20 years and a personal acquaintance to the father of MI, Dr. Howard Gardner at Harvard. In addition, one can sign up for a full MI psychometric assessment with comprehensive feedback report on all the multiple intelligences.

## 7 Habits of Highly Effective People – Dr. Stephen Covey

Anjum has more than 25 years of teaching and living the 7 *Habits* plus the 8<sup>th</sup> *Habit* written by Dr. Stephen Covey– "Finding your voice and helping others find theirs." which have sold more than 40 million copies and globally tops in leadership development. Anjum's serendipitous journey after reading the book and applying its principles catapulted her to being chosen as keynote speaker for *Leader in Me*-Global Summit followed by being invited on the Franklin Covey board and then bringing in the very 1<sup>st</sup> Lighthouse accreditation to a school in India – making history in the subcontinent. A workshop or webinar can be organized to suit the needs of your organization.

*"Creating places where thinking is valued, visible, and actively promoted."*

*"My ikigai (life purpose) is to illuminate the full spectrum of human potential."*

## 4 I's of Transformational Leadership – Bass, 1985

Leadership styles of varied over the centuries. In the 21<sup>st</sup> century, transformational leadership is more relevant today than ever. The four I's are intellectual stimulation, idealized influence, intrinsic motivation, and individualized consideration. Learning these four basic ingredients is the recipe for becoming a transformational leader.

## Habits of Mind - Grit, Growth Mindset, Self-Efficacy, Sociability, and Meta-cognition -

### The Big Five

Discover how these habits can show up in one's life. Sign up for a full Habits of Mind psychometric assessment with feedback on how to improve.

## A More Beautiful Question

Based on Warren Berger's book, *- A More Beautiful Question*, this workshop will help one discover the power of inquiry that leads up one up the ladder towards higher order thinking skills. Learn the art of questioning that leads to creative innovation.

## Power to Empower – Self-Care for Leaders

A multi-module psycho-education intervention for leaders to build resilience and buoyancy covering topics such as self-regulation, self-efficacy and evaluating life values. A safe space to explore the feelings of stress, frustration and anxiety while navigating the complexity of the multiple responsibilities. The program builds community among the cohort while participants and socially/emotionally prepare oneself face to face challenges of professional and personal life.

*"Creating places where thinking is valued, visible, and actively promoted."*

# THE WHOLE PERSON APPROACH

Sharpen the Saw across the body, mind, heart, and spirit with this Harvard reviewed approach so that you can renew and rejuvenate the greatest asset you have – YOU!WPA offers multiple modules varying in length and approach will help one lead to balanced and holistic self-renewal. The following extensions also allow one to explore deeper aspects of your human development.

## **Sharpen the Saw** –A Guided Self-Renewal

### **Tree of Life** – ANarrative Journey

Discover how your identity has evolved from the values symbolized by your 'roots' to 'fruits'that represent the gifts that you would like to share with the world. Moreover, how does your symbolic tree of life weather the storms through its resilience on the 'ground' you stand on.

### **Passion Project** – Keep Calm & Complete

Among the four dimensions of WPA, one can choose a personal project in a particular dimension to focus on and complete through coaching with the help of 4DX (Four Disciplines of Execution) with personal coaching.

### **Chakra Awareness** – A Guided Introspection

A multi-module discovery workshop held over multiple sessions covering the seven chakras from root to crown that explores its dimensions with activities to either stimulate or calm the respective chakras with sound healing, asanas, music and art therapy, affirmations and meditations.

### **Hero's Journey** – Creating Your Story

Inspired by Joseph Campbell's Hero's Journey, find your calling and design your destiny!

*"Creating places where thinking is valued, visible, and actively promoted."*
